SECTION I: INTRODUCTION

A. Request for Proposals Overview

The MCWIC is seeking an experienced, responsible, capable and professional firm to serve as the Property & Casualty Insurance Consultant/Broker of Record. The broker will work directly with the MCWIC on all renewal strategies, placements, and serve in an advisory capacity for claims. The successful broker will assume immediate responsibility for marketing the various insurance placements and providing services that insure that MCWIC is being serviced at the highest level of quality while employing an expected level of fiscal responsibility. Proposals will be evaluated to ascertain which proposer best meets the needs of MCWIC.

B. Selection of Vendor

The primary consideration in selecting a broker to deliver services will be an evaluation of the applicant's past experience in providing the services being requested, or similar services, cost reasonableness (if applicable) and administration and oversight of such services.

All proposals will receive equal consideration and determinations will be based upon the applicant's history and experience in providing the proposed services outlined in Section II - Scope of Services.

Selection of vendor documentation will be held in compliance of procurement standards outlined in the Office of Management and Budget 2 CFR 200.318-323, et seq.

The bidder must comply with all federal, state, and local laws applicable to its business and remain in compliance throughout the term of service under this RFP. The broker will maintain, in full force and effect, all policies, certification and licensures applicable to its business from the submission of the bid through the term of the service.

C. Term of Services

The term of the services will be from April 1, 2019 to June 30, 2020, with options for up to four (4) additional years of services, for a term not to exceed five (5) years.

Approval of the vendor services contract is contingent upon final MCWIC approval, and continued funding from the United States Department of Labor and the State of California.

D. Solicitation

The MCWIC reserves the right to extend the submission deadline if such action is in the best interest of the MCWIC. In the event the deadline is extended, bidders have

the right to revise their proposals.

The MCWIC reserves the right to make changes to the policies contained in this RFP based on changes and/or clarifications in the regulations, state legislation, local policy, or other guidance provided by the state or federal government.

The MCWIC makes no representation that any contract will be awarded to any offer responding to this RFP.

The MCWIC reserves the right to request additional information or documentation.

Proposals shall be reviewed and rated as submitted. The bidder may make no changes or additions after the deadline for receipt of proposals.

The MCWIC reserves the right to verify all information in the proposal. If the information cannot be verified, and if the errors are not willful, the MCWIC reserves the right to reduce the rating points awarded.

This RFP was developed pursuant to 20 CFR Part 679, et al, the Workforce Innovation and Opportunity Act Final Rule, and the Workforce Innovation and Opportunity Act of 2014.

E. Issuing Broker/Authorized Contact

This RFP has been issued by the MCWIC. The authorized representative of the MCWIC shall be the bidder's sole point of contact with regard to this RFP, its content, and all issues concerning it.

Contact information for the authorized representative for this RFP is identified on page 3. This person will be the primary point of contact for discussion or information pertaining to this RFP. Contact with any other MCWIC staff or board members for the purpose of discussing this RFP, its content, or any other issue concerning it, is prohibited unless approved by the authorized representative. Violation of this clause, by the bidder having unauthorized contact (verbally or in writing) with such other MCWIC staff or board members, may constitute grounds for rejection by the MCWIC of the bidder's proposal.

The above stated restriction on bidder contact with MCWIC staff or board members shall apply until the MCWIC has awarded and signed a contract with a provider of service(s).

F. Technical Assistance

Request for technical assistance may be made only in writing, either by U.S. Mail, fax at (559) 673-1794 or **preferably by e-mail to jroche@maderaworkforce.org**.

The MCWIC advises that prospective bidders should periodically check the MCWIC

website www.maderaworkforce.org for modification to the bid documents or questions and answers (Q&A) issued relating to this RFP.

It shall be the bidder's sole responsibility to inquire as to whether any Q&A and/or addenda to this RFP have been issued.

G. Best Value Evaluation Process

Cost is an important factor in the evaluation process, but the MCWIC is not obligated to accept the lowest cost response. At the MCWIC's discretion, considerations other than price may factor into a decision as to which services (and product, if applicable) provide the best value to the MCWIC. Such considerations may include:

- Qualifications of key staff
- Relevant project experience
- Environmental considerations
- Value added services
- Any other relevant factors listed in the solicitation

H. Proposal Review and Evaluation Process

The proposal review process will include the following activities to ensure the MCWIC procurement system meets required standards:

1. Awards are to be made to bidder(s) possessing the demonstrated ability to perform successfully under the terms and conditions of this proposal.
2. Bidders may be invited, at the discretion of the MCWIC, to answer specific questions; general presentations will not be permitted.
3. All proposals will be reviewed, scored and ranked. The selection of a proposal is to be made through a two (2)-phase process.
 - a. Phase I: MCWIC staff will initially evaluate each proposal for acceptability, with emphasis placed on responsiveness to the RFP specifications and to the degree to which the proposal meets the format specifications outlined in Section IV of this RFP.

Note: proposals that do not conform to the format identified in this RFP may not be considered for award.

- b. Phase II: A rating team will evaluate for acceptability all proposals forwarded from MCWIC staff for consideration, with emphasis placed on the proposal's ability to meet the requested performance and costs that are reasonable, allowable, necessary, and competitive as measured by the review of the cost structure and in comparison to all other proposals. All proposals will be scored on a 100- point scale and must receive a minimum rating of 70 points to be considered for funding.

I. Rating Criteria

Proposals will be evaluated on the following technical criteria:

Experience and Qualifications

This category will evaluate the bidder's experience in providing the requested services, or similar services.

- a. Overview of business, background information, including date established;
- b. Capabilities and experience in providing the requested services, or similar services;
- c. Experience in working with other non-profit/social service agencies;
- d. Quality of past or present services performed by the broker (to be rated by one of the brokers references).
- e. Willingness of the broker to perform and obtain competitive pricing for reference on a year-to-year basis (to be rated by one of the broker's references)
- f. Broker Fee(s)

In the event there is a tie between two (2) or more bidders and at least one (1) of the bidders is a local business, the contract will be awarded to the local business. A local business is defined as a business that has a physical location in Madera County.

Funding recommendations will be presented to the MCWIC Board for award consideration. The MCWIC Board will make all final decisions.

J. Failed Competition

The MCWIC reserves the right to reject any or all proposals when they are not responsive to the specifications of this RFP. Competitive negotiation requires that at least three (2) responsive proposals for the same scope of services be received in response to this RFP. A competition is considered failed if two (1) or less responsive proposals are received, or if two (1) or less proposals received the minimum 70 point required score. If a competition has been declared failed, the MCWIC then has the option to re-compete the procurement or enter into a sole-source procurement.

K. Appeals Process

If a bidder has submitted a proposal and is not recommended during the review process, the bidder may appeal the recommendation to the MCWIC. Appeals may not dispute the particular score received by the petitioning bidder, or the scores assigned to a competing bidder. The scores given by the rating panel are final and are not subject to question by an appealing bidder. An appealing bidder may appeal the recommendation of the evaluators if it can show that any substantial portion of the MCWIC-approved RFP process has not been followed.

All appeals must be submitted in writing to the MCWIC within five (5) working days of the notification of refusal. All appeals are to be addressed to Tracie Scott-Contreras, Interim Executive Director. Only appeals that cite the specific section(s) of the RFP that have been violated will be considered. Once reviewed by the Interim Executive Director for merit, the appeal will be elevated to the MCWIC. Appeals received after the established deadline will not be accepted.

The decision made by the MCWIC as to which proposal(s) are selected will be final.

L. General Proposal Conditions

1. The format in which the proposals are to be submitted is included in this package. Proposals that do not conform to this format will be rejected by the MCWIC.
2. The bidder certifies, by submission of a proposal, all specifications listed in this RFP will be met and further understands that these specifications may become part of the provision of services, should the proposal be awarded.
3. The MCWIC will only accept proposals for the service(s) requested. Proposals submitted for services not included in this RFP will be rejected.
4. The proposal submitted in response to this solicitation is not a legally binding document; however, the contract based on the proposal after negotiation becomes legally binding once both parties have signed it. All proposals submitted become the exclusive property of the MCWIC.
5. All responses received are subject to the "California Public Records Act". While the MCWIC takes every measure permissible to keep all "proprietary information" identified, Bidders are asked to label the information "PROPRIETARY" and enclose it in a separate envelope marked as such.
6. No funds provided under this RFP shall be used, or proposed for use, to encourage or induce the relocation of an establishment, or part thereof, that results in a loss of employment for any employee of such establishment at the original location.

M. Costs Incurred by Bidders

All costs of the proposal preparation shall be borne by the bidder. The MCWIC shall not, in any event, be liable for any pre-contractual expenses incurred by bidders in the preparation and/or submission of the proposal. The proposals shall not include any such expenses as part of the proposed budget.

N. Accuracy and Completeness

The proposal must set forth accurate and complete information as required in this RFP. Unclear, incomplete, and/or inaccurate documentation may not be considered for contract award. Falsification of any information may result in disqualification.

O. Withdrawal of Proposals

Proposals may be withdrawn by written request of the authorized signatory, on the bidder's letterhead, at any time prior to the scheduled deadline for receipt of the proposals.

P. Standing of Bidder

Regardless of the merits of a submitted proposal, a bidder may not be recommended for funding if it has a history of agreement non-compliance with the MCWIC or any other funding source; poor past or current service performance with the MCWIC or any other funding source; or current disputed or disallowed costs with the MCWIC or any other funding source.

The MCWIC will not enter into an agreement with any entity not in good standing with the California Secretary of State.
