Bobby Kahn moved to approve items 7.1, 7.2, and 7.3, seconded by Les Taylor.

Vote: Approved – unanimous

Yes: Michelle Brunetti, Brett Frazier, Claudia Habib, Bobby Kahn, Wendy Lomeli, Mike Lopez, Deborah Martinez, Nichole Mosqueda, Chuck Riojas, David Salter, Les Taylor, Kimberly Thomas, Elizabeth Wisener

7.4 Consideration of approval of the revised WDB bylaws to include possible changes to the Executive Committee representation.

There were some minimal changes to the Bylaws. The address was updated to the new location address. The biggest change is within section 8.2. which identifies the Executive Committee membership as the Chair, Vice Chair, immediate past chair when possible, at least 2 Private Sector Directors and at least 1 non-WDB Director. The Madera County Department of Social Services Director is no longer a mandated member of the Executive Committee. Staff will recruit for Private Sector members among the WDB Directors. The Executive Committee meets less frequently than monthly as the WDB now meets every other month and is able to conduct most necessary business at those times. The Executive committee meets in those instances where the WDB is not scheduled and urgent business needs to be finalized.

Chuck Riojas moved to approve, seconded by Les Taylor.

Vote: Approved – unanimous

Yes: Michelle Brunetti, Brett Frazier, Claudia Habib, David Hernandez, Bobby Kahn, Wendy Lomeli, Mike Lopez, Deborah Martinez, Nichole Mosqueda, Chuck Riojas, David Salter, Les Taylor, Kimberly Thomas, Elizabeth Wisener

7.5 Consideration of approval of the revised Nondiscrimination and Equal Opportunity policy to align with the State Directive WSD17-01.

Tracie Scott-Contreras is the assigned Equal Opportunity (EO) Officer. Changes to the policy based on the state directive include eliminating the State's old 10 step process. Elements of the Method of Administration (MOA) are still within the policy but are no longer referred to as MOA. The biggest changes are an increased emphasis that tools and services be put in place for public access and the addition of State monitoring responsibilities. The State EDD will now conduct annual on-site monitoring reviews. Local areas must ensure that all communications are clear and accessible and the EO tagline is used. The Madera One Stop displays all required EO documents in the lobby for public viewing.

Bobby Kahn moved to approve, seconded by Michelle Brunetti.

Vote: Approved – unanimous

Yes: Michelle Brunetti, Brett Frazier, Claudia Habib, David Hernandez, Bobby Kahn, Wendy Lomeli, Mike Lopez, Deborah Martinez, Nichole Mosqueda, Chuck Riojas, David Salter, Les Taylor, Kimberly Thomas, Elizabeth Wisener

7.6 Consideration of approval to add Madera Adult School's Occupational Skills training in Certified Nurse Assistant (CNA), Microsoft Office Specialist and Security Guard to the Eligible Training Provider List (ETPL).

These classes would add career technical classes within this community. There are no other local areas that offer these trainings. These programs all align with the sectors in demand identified by the WDB. Because the programs are new, there are no performance measures information – this could cause the State to deny their application. If they were denied, the WDB could elect to contract the trainings directly. The State could look into their performance measures 12 to 24 month after being approved. There was concern among the Directors that the teacher for the CNA class have all the necessary hours to be able teach the class – staff assured the Board that the CNA class teacher has all necessary credentials and degrees and experience for the class. The security guard class will be local and this will help save on funds for mileage. The company providing the training is willing to hire successful students. Staff will check to ensure that there is no conflict-of-interest with their hiring process for students. Student will obtain a guard card at the conclusion of the training.

Chuck Riojas moved to approve, seconded by Elizabeth Brunetti.

Vote: Approved – unanimous

Yes: Michelle Brunetti, Brett Frazier, Claudia Habib, David Hernandez, Bobby Kahn, Wendy Lomeli, Mike Lopez, Deborah Martinez, Nichole Mosqueda, Chuck Riojas, David Salter, Les Taylor, Kimberly Thomas, Elizabeth Wisener

Elizabeth shared that Tracie did a great job of providing an overview and feels that everything will go well. The certification process must be submitted to the State Board by 9/30/17 – the State Board will reply by 11/1/17. Job Centers have until April 1st to complete any corrective actions – if applicable. AJCC Certification Process Outline September 2017

The Workforce Development Board of Madera County appointed an ad-hoc work group of three WDB members on July 18, 2017 to oversee the AJCC Certification process in Madera County. The Ad-Hoc Work Group will be responsible for completing the base line certification matrix and will submit the completed matrix to the full Board at the December 2017 meeting. The Board will make a determination at their December 2017 meeting whether to use a peer review process with staff from other LWDA's or to use an outside consultant or some combination of these two approaches to complete the Hallmark certification matrix. The Work Group has also suggested the use of a self-assessment process to identify and resolve any areas of concern prior to the formal review by the selected external third party. Madera County has one comprehensive AJCC that will be subject to the certification requirements outlined in EDD Directive WSD16-20. The anticipated process is as follows:
