

# NOW HIRING!

The EDD is increasing the mass hiring effort from the initial 1,800 to over 4,500 new staff. Workers will be trained in skills including call center operations, processing unemployment Insurance (UI) claims, and analyzing documents from claimants and employers to make wage determinations for benefits.

## **The following positions are posted for hiring statewide:**

- [Employment Program Representatives](#) (UI Services Representative - positions require college education and public contact experience to process claims and assist customers, including over the phone and off-phone work.)
- [Office Technician](#) (Requires clerical skills to assist customers over the phone.)

## **The following Financial Services positions are posted for hiring in or around the Sacramento Area.**

Please note that these positions require professional accounting coursework, along with up to three years of accounting and/or auditing experience:

- [Tax Auditor](#)
- [Accountant I Specialist](#)
- [Accounting Technician](#)
- [Accounting Officer](#)

Teleworking and in-office options are available throughout the state. Applicants who possess bilingual skills including Spanish, Cantonese, Vietnamese, and Mandarin are encouraged to apply.

Application packages may be submitted electronically through [CalCareers.ca.gov](http://CalCareers.ca.gov).
