ELECTRONIC MEETING INSTRUCTIONS

The Madera County Workforce Investment Corporation uses Zoom as the tool to facilitate electronic meetings. Our desire is to ensure orderly Zoom meetings and to help attendees have confidence in how the meeting will be facilitated and that all members and public will be effectively heard. The following instructions provide consistent methods that will lead us to realizing that desire.

- We highly recommend use of the Zoom client app, as this tool greatly enhances the attendee's experience and provides readily accessible controls.
- Remain muted until speaking and mute again when finished speaking.
- Ensure your name shows on your connection.
- Votes will be facilitated with a roll call.
- When connecting to Zoom, if using the phone is preferred over computer audio, we request you connect to the Zoom meeting first and then choose Phone for the preferred audio connection. Input the meeting and participant IDs to relate your phone audio to your Zoom connection.
- Please avoid having both computer audio and phone audio activated as this can cause sound problems.
- If connecting via phone only, *6 will toggle mute/unmute.
- Public comments will only be taken when a hand is raised. On the phone-only connection, *9 raises the hand. You must be recognized by the presiding officer of the meeting before speaking.

5.0 Adoption of Board Agenda

Mike Farmer moved to adopt the agenda, seconded by Roger Leach.

Vote: Approved – unanimous

Yes: Debi Bray, Gabriel Mejia, Mike Farmer, Roger Leach, Tim Riche

6.0 Consent Calendar

6.1 Consideration of approval of the October 22, 2020 Madera County Workforce Investment Corporation (MCWIC) meeting minutes.

Tim Riche move to approve, seconded by Gabriel Mejia.

Vote: Approved – unanimous

Yes: Debi Bray, Gabriel Mejia, Mike Farmer, Roger Leach, Tim Riche

7.0 Action Items

7.1 Consideration of approval of the MCWIC year-to-date financial reports for period ending October 31, 2020.

Everything is going well. There are low participant numbers due to the lower traffic into the building. Financial documents will be brought to the Board monthly.

Roger Leach moved to approve, seconded by Gabriel.

Vote: Approved – unanimous

Yes: Debi Bray, Gabriel Mejia, Mike Farmer, Roger Leach, Tim Riche

7.2 Consideration of approval of the de-obligation of \$10,000 from the COVID Supportive Services grant.

The COVID supportive services funds were awarded in June 2020 and are to be used towards specific criteria such as rental assistance for participants whose income have been directly impacted by the COVID pandemic. One-time payments ranging from \$400 to \$800 can be made through this grant. The original September 2020 end date was moved to December. Madera saw very low traffic into the Center due to the pandemic and returned some funding to the State so that other areas could use it. Madera still has a balance to spend.

Mike Farmer moved to approve, seconded by Gabriel Mejia.

Vote: Approved – unanimous

Yes: Debi Bray, Gabriel Mejia, Mike Farmer, Roger Leach, Tim Riche

7.3 Consideration of approval of a budget adjustment for facility costs related to Madera Community College's delayed lease start date.

Staff have been working on renewing the lease for space in the Center with College staff since February. The work on the lease started before the State officially granted Community College status in the summer. At the time, staff were working with the Administrative team at the College District at Reedley College. This caused a delay once the Madera Campus was granted their community college status. Staff have been communicating with Angel Reyna, President. Mr. Reyna requested that their lease begin January 2021 for a 2-year period or that their lease begin in October 2020 for a 1-year period. Staff recommended that they accept a 2-year contract starting in January 2021. It will mean absorbing approximately \$7,000. Staff reported that there are sufficient funds in the budget to absorb the amount. The College is willing to sign as soon as possible.

Gabriel Mejia moved to approve and start the Madera Community College's lease on January 1, 2021, seconded my Mike Farmer.

Vote: Approved – unanimous

Yes: Debi Bray, Gabriel Mejia, Mike Farmer, Roger Leach, Tim Riche

7.4 Review of Form 990 2019 tax returns by the MCWIC Board of Directors in preparation for submittal to the IRS

The MCWIC business policy and the IRS require that the MCWIC board review and accept the Form 990 before submittal. After the Form is reviewed and accepted by the Board, it will be signed by the Executive Director for submittal

Roger Leach motioned to accept the Form 990, seconded by Gabriel Mejia.

Vote: Approved – unanimous

Yes: Debi Bray, Gabriel Mejia, Mike Farmer, Roger Leach, Tim Riche

7.5 Consideration of approval of the America's Job Center of California (AJCC) Adult and Dislocated Worker Career Services Provider application.

The State Workforce Development Board requires that local areas provide career services. Because there is a One Stop Operator in place for the Madera AJCC, MCWIC is able to apply to provide career services. The application must be approved by the MCWIC and will also go to the Workforce Development Board (WDB) of Madera County for approval.

Gabriel Mejia moved to approve, seconded by Roger Leach.

Vote: Approved – unanimous

Yes: Debi Bray, Gabriel Mejia, Mike Farmer, Roger Leach, Tim Riche

8.0 Information Items

8.1 Workforce Development Board (WDB) of Madera County Update

There are no new updates on the WDB. Their next meeting will take place on December 17, 2020. Additional information provided within the agenda packet.

8.2 Program Update

Madera partnered with GRID Alternatives, Madera Corrections and the Fresno WDB on a central Valley Pathway Home Project for incarcerated individuals. Participants will receive training for work with solar panels. All grants are doing well. Workforce is still providing classes in the jail. 3 individuals came to the Center after being released. There are 12 individuals enrolled in the COVID-19 Employment Recovery National Dislocated Workforce Grant (NDWG). 20 participant enrollments is the goal for the NDWG. NDWG participants are people who have been laid off or who's hours were cut. The Disability Employment Accelerator (DEA) grant is starting to get referrals from the Madera Community College. The English Language Learners (ELL) grant is going well. The numbers provided seem low but there have been a couple of community resource fairs that served many members of the community. Food as well as community resources were provided. The Prison to Employment (P2E) grant is going well. The project is over enrolled in order to show the State that the project needs to be fully funded. The Ticket to Work (TtW) program has 19 participants enrolled. \$10,000 has been received in payments since July 1, 2020. The TtW program receives payments when participants return to work. The Wells Fargo grant funds are fully expended and were used to purchase Chromebook laptops to be used by participants who needed them in order to participate in online education, trainings or other workplace activities. Additional information provided within the agenda packet.

8.3 Local and Regional Plans Update

Local plan forums have taken place with a couple more in January. Regional forums have also been scheduled. Staff have also been on calls with individual partners and organizations. Many good ideas have been provided at the forums and during the calls. The first regional forum took place on December 17, 2020. Madera will host a regional forum on January 7, 2021. Forum information will be shared with the Board. Staff hope to have the plan available for public comment on February 27, 2021. Additional information provided within the agenda packet.

8.4 One Stop Operator Request for Proposals Update

The current One Stop Operator's (OSO) 4-year term is expiring. MCWIC holds the contract for the OSO. The OSO is a legislative requirement. The RFP will go out on December 18, 2020 with proposals expected in February. The WDB will also receive information on the OSO. The contract for OSO will be in place starting July 1, 2021. Additional information provided within the agenda packet.

8.5 Information on Weekly Unemployment Insurance (UI) Initial Claims for Madera County

The latest UI figures state that 50,164 people have files for unemployment. Self-employed are not included in the numbers. Additional information provided within the agenda packet.

8.6 COVID-19 Update

Staff are working in the Center and provide services via phone, email or by appointment. There have been no other positive COVID cases within MCWIC. A remote temperature scanner was ordered and will be placed at the main Center entrance and the East staff entry. Madera Adult School currently has a scanner at the doors closest to their department. Staff have worked with Sierra HR on an Injury & Illness Prevention Program (IIPP).

9.0 Written Communication

None.

10.0 Open Discussion/Reports/Information

10.1 Board Members

- *Debi Bray thanked Tracie and MCWIC staff for helping with the PPE event. The Chamber partnered with the City and served 100 business in a day. The Chamber still has some supplies. People can contact the Chamber for more supplies.*

10.2 Staff

- *MCWIC hired a new Principal Accounting Technician – May Her. She is doing a great job so far. She has previously worked with the same accounting system. Pam Lowery and Angelica Murillo-Virgen retired. Their last day was December 4, 2020. Wendy Sandoval was promoted to Career specialist. Wendy was formerly a Workforce Technician I at the Lobby desk.*

ELECTRONIC MEETING INSTRUCTIONS

The Workforce Development Board of Madera County uses Zoom as the tool to facilitate electronic meetings. Our desire is to ensure orderly Zoom meetings and to help attendees have confidence in how the meeting will be facilitated and that all members and public will be effectively heard. The following instructions provide consistent methods that will lead us to realizing that desire.

- We highly recommend use of the Zoom client app, as this tool greatly enhances the attendee's experience and provides readily accessible controls.
- Remain muted until speaking and mute again when finished speaking.
- Ensure your name shows on your connection.
- Votes will be facilitated with a roll call.
- When connecting to Zoom, if using the phone is preferred over computer audio, we request you connect to the Zoom meeting first and then choose Phone for the preferred audio connection. Input the meeting and participant IDs to relate your phone audio to your Zoom connection.
- Please avoid having both computer audio and phone audio activated as this can cause sound problems.
- If connecting via phone only, *6 will toggle mute/unmute.
- Public comments will only be taken when a hand is raised. On the phone-only connection, *9 raises the hand. You must be recognized by the presiding officer of the meeting before speaking.

SUBJECT: Mid-Year Goals & Objectives Progress Report

This fiscal year has been impacted heavily by several factors: the on-going pandemic, continuous adjustments to service delivery models and strategies, the lack of presence and response from several AJCC partners, and State and Federal mandated procedural requirements. An update on progress on goals and objectives for the current year is provided below.

Increase Awareness of and Access to MCWIC/AJCC Services

Objective 1: Increase Number of Quality Business Contacts

Our focus in business engagement since July has been on sharing information needed by local businesses to survive in the pandemic economy. Communications via email and social media have been the primary contact tool to provide information regarding the continuous changes to guidance related to business opening & closing, return-to-work requirements, CARES Act leaves, and resources available including a local distribution of PPE and PPP and other business loan programs. MCWIC staff assisted the City of Madera and the Chamber of Commerce with PPE distribution events at the Madera Fairgrounds. Metrics have been set aside in the interest of getting accurate and timely information to our business customers. We have implemented virtual access to business services staff via video conferencing, as well as continuing to use email and phone communications. We are also testing platforms for virtual job fairs/hiring events.

Objective 2: Maintain/Increase Customer Visits to the AJCC

Customer visits to the Center decreased from an average of almost 5,000 per month pre-pandemic, to a low of an average of 339 per month during April-June of 2020. We have been able to begin to increase customer visits to the Center so far this program year, with an average of 674 visits per month for July – December of 2020. We have maintained consistent postings on social media, hosted hiring (in person) for Vallarta Supermarket, and provided drive-through events for resource and food distribution that served 800 families in November and December. Our focus has been on providing customers what they need today, versus trying to increase participation numbers in specific programs. Our thinking is that, by providing these supportive resources now, customers will think of the Center when they are ready to begin looking for education, training, and employment as the pandemic eases and the economic recovery begins.

We are also providing services by phone, virtually, and in-person to encourage individuals to access the services they want and need now.

Continue Staff Development

Objective 1: Schedule Team Building Activities

We have launched virtual staff meetings via Zoom to connect with staff and provide regular updates. Staff health and safety have been a priority since March of 2020, and we have continued to improve and strengthen our systems and processes in this area, including the development of both an Injury and Illness Prevention Plan and a COVID safety plan. The Board also recently approved a new Employee Assistance Plan to support staff during these difficult times. Staff have also participated in virtual training specific to their roles, as it has been made available. We have managed to hold several socially distant luncheons/potlucks and the staff came up with a Secret Santa activity in December to replace our traditional potluck and gift exchange. More traditional team building activities will need to be postponed until the pandemic, and the related safety and distancing requirements, have eased.

Objective 2: Support Skill Development and Life-Long Learning

Workshops and seminars have been made available to staff and we have scheduled individuals to participate as frequently as possible. Managers have also participated in seminars and training virtually – Peer-to-Peer Learning events, training for special projects, and more general training. Staff presented at a recent Statewide Peer-to-Peer event to share details regarding our drive-through events, which was well received. We continue to provide new staff mentoring from a more experienced team member to support their training and development. Schedule flexibility is available for individuals wishing to pursue continuing education and training on their own.

Succession Planning

Cross-training between program managers has begun – specifically focused on cross training in our CalJOBS system reports, and the ETPL. Staff members assigned to special projects have been given the opportunity to begin preparing content for monthly and quarterly reports. Staff have also been asked to contribute ideas for new service delivery strategies, which has resulted in new workshop topics and new concepts for virtual hiring events, video marketing, and social media use. The Deputy Director has been closely involved and performing specific tasks in the regional and local planning process, management and monitoring of the OSO contract, ETPL management, performance negotiations, and Board agenda development. She has also handled the development of the internal IIPP and COVID Safety Plan, developed or coordinated the development and submission of special project reports, grant applications, and the Application for Approval to continue as the WIOA Career Services Provider for Madera County. Staff members have all been assigned as back-up coverage for specific colleagues and programs, to guarantee we have no gaps in service delivery in the event of a staff absence or leave. Front

lobby staff are being provided training in orientation, eligibility, and assessment processes for potential upward mobility in the organization.

Local/Regional Compliance Activities

Local Requirements:

- Local performance negotiations for PY 20-21 and 21-22 were successfully completed in September of 2020 and were approved by the Workforce Development Board at their meeting in October.
- Local strategic plan development is underway, and all local stakeholder input forums and individual partner discussion have been concluded. The management team is gathering information to provide to the consultant for the remaining areas needing to be addressed in the local Plan.
- AJCC Operator procurement was issued on December 18, 2020 and proposals are due in February. The process is on track to award a contract for our local and subregional one-stop operator prior to the July 1 deadline.
- WIOA Career Services provider application was completed and approved by both MCWIC and the WDB in December. It is being placed on the agenda for the Board of Supervisors for February with plans to submit the final approved and signed document on or before the March 1, 2021 deadline.

Regional Requirements:

- Regional plan implementation and evaluation activities are continuing. We participate in all regional evaluation and implementation activities via surveys, virtual meetings, and peer-to-peer learning events.
- The regional training plan is in progress. Staff and managers are participating in all regional training opportunities being provided.
- Regional strategic plan development activities are well underway. We are participating in regional plan stakeholder input sessions and hosted a session on January 7, 2021. Maiknue and I are participating in the regional plan workgroup meetings where leadership from all the workforce areas in our region are providing input to the consultants who will be writing the plan. These workgroup meeting are in addition to discussions being held at the CCWC meetings every six weeks.

MCWIC and WDB Board Development

Objective 1: MCWIC Board Development

I have been in contact with a potential new Board member from Habitat for Humanity. We have spoken several times and I anticipate receiving a completed Board Member application from her soon. That will bring MCWIC Board membership back to the maximum membership number outlined in the Board by-laws. A Strategic Planning session for MCWIC is on hold for now, as this activity will be more effective if we are able to conduct it at an in-person meeting/session.

The Board member information, orientation, and on-boarding process has been updated – several aspects of the process have been tested with the potential Board member I have been communicating with. The most important and effective aspect of this process is scheduling multiple conversations with potential new members to insure that they have a clear understanding of the focus and responsibilities of the Board.

Objective 2: WDB Development

The WDB has remained compliant related to required membership and representation, and meeting attendance and engagement have been very positive for the last several months. We will reach out to members again as we move into reopening more fully and increasing activities to engage Board members in activities at the Center and with local businesses. The Board has provided input to the regional and local plans at their meetings in October and December and several members have attended local and regional stakeholder input sessions. There has been no need for board member recruitment or new member orientations during the first half of this program year.

Professional Development

Objective 1: Continue System Knowledge Development – Regional and State

I have participated regularly at CCWC meetings and have attended CWA quarterly Board and committee meetings as my schedule permits. I am currently the Vice-Chair of the CWA Capacity Building Committee and also a member of the CWA Executive Committee – the committee work has expanded by learning about the association and it's priorities and has resulted in the development of stronger contacts with Directors from other areas throughout the State. We presented information to Senator Anna Caballero at a joint outreach session with CWA staff on November 16, 2020 and attended a NAWB Townhall session during a recent CWA quarterly board meeting. We also partnered recently with Stanislaus, Merced, and San Joaquin counties on the submission of a Veteran's Employment Assistance Program grant application and are currently partnering with Merced and Stanislaus counties on the development of an English Language Learner project focused on the development and use of Integrated Education and Training programs.

Objective 2: Develop/Improve Local Partnerships and Professional Relationships

We have continued throughout the pandemic to participate in local virtual events whenever possible. Our organization assisted the City of Madera and the Chamber with research to obtain PPE for local businesses and assisted with PPE distribution events. I participated in a meeting with a business prospect and their site selection group in Chowchilla in October. I am an active member of the Economic Development Commission and the Visit Yosemite-Madera County Boards and am on the Growing Healthy Families workgroup for the Madera County Public Health Department's Live Well Madera County plan. Reporting to City and County Governments has not been established yet – I will move forward with execution as the pandemic eases and will

schedule time with the Mayors and CAO to see how our efforts can support municipal goals and priorities for workforce and economic development.

While progress on some established goals has slowed or been postponed so far this year, I am confident that the organization has remained focused on our primary mission and priorities - assisting residents and businesses in our communities.

I am happy to answer any questions that the Board members may have.

Thank you.

Information:

We have partnered with GRID Alternatives, Fresno Regional Workforce Development Board, and Madera County Department of Corrections on a Central Valley Pathway Home Project. If awarded, these funds will help incarcerated individuals successfully return to society by accessing training, case management support, and securing employment in solar or construction related industries. We have requested for approximately \$90,000 for pre-release assessments, referrals, and case management.

We are also partnering with Stanislaus County Workforce Development on a sub-regional Veterans Employment Related Assistance Program (VEAP) that will accelerate employment and re-employment for unemployed and/or under-employed veterans to enter the workforce in skilled occupations. Grant funds will also address the need for equal access to education, training, and re-employment opportunities for veterans as a result of COVID-19. The sub region is applying for \$300,000 to serve 100 veterans in 18-24 months.

Fiscal information outlining expenditures and obligations is attached for the Board's review.

Subject: Local and Regional Plans Update

Information:

The Workforce Innovation and Opportunity Act (WIOA) requires States, regions, and local workforce development areas to develop and submit strategic plans every 4 years. We are currently in the planning cycle for our local and regional plans for the period from July 1, 2021 through June 30, 2025. We have completed four stakeholder forums to gather input on specific areas required by the draft plan guidance from the State. We have also held 7 stakeholder calls with individual partner agencies to date and have one more scheduled. We are working with our consultant on providing information required for the narrative portion of the plan and are also working with our regional lead. We hosted a regional forum on January 6 and have attended regional forums that schedules permit. We are also participating on the regional plan workgroup which meets once or twice per month (virtually).

The plans should be drafted and ready for public comment by February 22, 2021. Following the 30-day required public comment period and approval by the Workforce Development Board, the plans (local and regional) will be forwarded to the Madera County Board of Supervisors for final approval and signature. The plans must be submitted to the State by April 30, 2021.

Subject: MCWIC One Stop Operator Request for Proposal (RFP) Update

Information:

For the last several years, our organization has participated in a multi-area agreement with ProPath, Inc. to provide required One-Stop Operator services. The vendor was originally selected in 2017 through a procurement process managed by the County of Merced. The workforce areas participating, in addition to our area, are: Kings County Job Training Office, Merced County WorkNet, San Joaquin County WorkNet, and the Stanislaus County Workforce Alliance. The One-Stop Operator services must be procured again this fiscal year, for services starting on July 1, 2021.

The Request for Proposals was approved by the Workforce Development Board at their meeting on December 17 and released publicly on December 18. A pre-proposal bidder's conference was held on January 6, 2021. One potential bidder attended the pre-proposal conference – it was not mandatory.

Proposals are due in February. Proposals received will be reviewed and ranked by representatives of the participating workforce areas and submitted to the WDB for final selection of the One-Stop Operator. All the information regarding the procurement process will continue to be shared with this Board.

Please Note: The data by county represents the mailing address given by the claimant at the time of filing for UI. It is possible that an individual can reside in a different county than their mailing address. Also, this information does not represent the county where the individual worked. It is also possible that a claimant could have moved or changed their mailing address after filing for UI which would not be reflected here. Data for claimants residing outside of California but collecting benefits are not included in these figures nor are invalid addresses in California where a county cannot be determined. A "0" value is included in the Pandemic Unemployment Assistance (PUA) data for dates prior to April 28, when PUA was not available. Initial claims includes new claims, transitional claims, and additional claims of both regular and PUA type claims. The PUA claims is a breakout from this total that only includes initial PUA claims.

Subject: COVID-19 Update

Information:

On March 13, 2020 we moved to phone-based services to minimize public contact while continuing to provide services. The resource room was open and limited to a maximum of 10 people at a time, and 1 hour per person. We sanitize the equipment after each use.

As of March 20, 2020 at noon, and in response to the order by the Governor, we locked the front doors to the facility and provided access to the facility by appointment only. This included picking up or dropping off documents, accessing the resource room, or scheduling assessments. Our staff provided all other services by phone or on-line meetings. This was consistent with the strategy being used by other partners who are still open and on-site or otherwise available, as organizations who provide government programs and services.

We developed a phased plan for beginning to provide in-person services that we began rolling out the week of May 4. At this time, the number of customers who are interested in in-person services is very low, and we are managing the numbers safely and effectively. Customers who do come into the facility are screened and temperature checked at the lobby doors and are asked to immediately wash or sanitize their hands. We require customers coming to the Center for in-person services to wear a mask or face covering as well.

The front doors of the Center were reopened to the public on June 8, 2020. The screening, mask, hand sanitizing, and social distancing requirements remain in place. We have added plexiglass screens to the lobby and resource room staff desks and are limiting group activities to 5 at this time, to ensure appropriate social distancing.

Given the new shut-down orders issued by the Governor on July 13, we will be maintaining all current safety and health practices and anticipate another surge in individuals needing assistance with unemployment insurance and job search services. We are watching customer numbers closely and will move back to more restricted access if customer numbers increase to a level that exceeds our current limitations on safe group sizes.

On July 29, due to a positive case of COVID-19, we initiated a 14-day closure of the Center and our organization in compliance with isolation/quarantine requirements in place at that time.

We were able to reopen the Center on Thursday, August 13, and have had minimal instances of illness to date. Our Public and Internal Health and Safety plans have been updated to align with local and State guidance around the safe reopening of AJCC's. The updated plans have been shared with partners and with all staff and have been posted in English and Spanish at the entrance to the facility.

We worked with Sierra HR Partners Inc. to develop an Injury and Illness Prevention Program (IIPP) for our organization.

All staff have been provided masks, and we have made disinfecting products, hand sanitizer, and gloves available to all staff as well. We applied for and received a month's worth of PPE through the program coordinated by the City of Madera and the Chamber of Commerce.

We continue to monitor the situation by regularly checking the CDC, State, and Local Health Department websites and comply with the new notification requirements around exposure of staff members in the workplace now mandated by OSHA.
