**MADERA COUNTY WORKFORCE INVESTMENT CORPORATION**

**ADOPTING FINDINGS THAT THERE IS A PROCLAIMED STATE OF EMERGENCY AND THAT MEETING IN PERSON POSES IMMINENT HEALTH AND SAFETY RISKS TO ATTENDEES AND AUTHORIZING REMOTE TELECONFERENCE MEETINGS FOR THE BOARD FOR THE PERIOD OF April 3, 2022 THROUGH May 2, 2022**

**WHEREAS**, on March 4, 2020, Governor Gavin Newsom declared a State of Emergency in the State of California; and

**WHEREAS** in light of ongoing concerns about public health and safety, on March 17, 2020, Governor Newsom issued Executive Order N-29-20, which suspended certain provisions of the Ralph M. Brown Act (the “Brown Act”) in order to allow local government bodies to conduct open meetings safely during the coronavirus pandemic. On June 11, 2021, the Governor issued Executive Order N-08-21, extending the suspension of these provisions to allow local government bodies to continue to conduct their meetings remotely through September 30, 2021; and

**WHEREAS**, on September 10, 2021, the Legislature took additional action to allow local agencies to forego compliance with the Brown Act teleconferencing requirements under specific circumstances after the expiration of the Governor’s order by adopting AB 361, which amends the Brown Act’s requirements for teleconferencing during a proclaimed state of emergency and when certain other conditions are met and certain findings are made. Because the bill contained an urgency clause, it took effect upon Governor Newsom’s signature on September 16, 2021; and

**WHEREAS**, the Brown Act, as amended, allows local agencies to make an initial determination to hold open meetings via teleconferencing when there is a proclaimed state of emergency and any of the following circumstances exist:

1. State or local officials have imposed or recommended social distancing

2. The local agency holds a meeting for the purpose of determining by majority vote if meeting in person would pose imminent health and safety risks to attendees
3. The local agency holds a meeting after having determined by majority vote that, as a result of the emergency, meeting in person would pose imminent risks to the health or safety of attendees.

The local agency must reconsider whether the state of emergency continues to impact the ability of the members to meet safely in person or whether local or state officials continue to impose or recommend social distancing every 30 days; and

**WHEREAS** the rates of transmission of COVID-19 and variants, and to protect the health and safety of the public, the Madera County Workforce Investment Corporation (MCWIC) wishes to take the actions necessary to comply with the Brown Act, as amended and to continue to hold its Board meetings remotely via teleconference.

**NOW, THEREFORE, BE IT RESOLVED** that the MCWIC hereby finds that pursuant to the Governor's State of Emergency Declaration, issued on March 4, 2020, there is a proclaimed State of Emergency in the State of California; and

**BE IT FURTHER RESOLVED** that the MCWIC finds that meeting in person in the next 30 days would pose imminent health and safety risks to attendees; and

**BE IT FURTHER RESOLVED** that the MCWIC approves meeting via teleconference for all Regular and Special meetings of the MCWIC for 30 days following this resolution, in accordance with the Government Code section 54953(e) and other applicable provisions of the Brown Act.

### Information:

We received \$10,000 from the Wells Fargo Foundation to support an annual subscription for IMAGO, an online platform that allows us to provide Essential Soft Skills Workshops. Funds may also support online learning equipment and other technology support for participants enrolled in education and/or training.

The Fresno Regional WDB has been awarded EDD's Equity and Special Populations grant. In partnership with Kings and Madera County, this project will focus on assisting ELL's, immigrants, and re-entry individuals in accessing training and employment in the solar, construction, and forestry sectors. Madera will receive approximately \$65,000 to serve 10 participants.

We have finalized a contract with CDCR to provide a mini AJCC at Valley State Prison. We will receive \$150,000 to station a Corrections Workforce Specialist from MCWIC into the Transitions Program who will act as a liaison between the workforce system and individuals within 90-120 days of release from the institution. We are meeting with CDCR and VSP personnel to purchase equipment, coordinate facility clearance, schedules, referrals, and program logistics. Tentative start date is May 1, if not sooner.

Additionally, we have provided a Juvenile Realignment Youth Services proposal narrative and budget to the Madera County Juvenile Probation Department. If approved, we will receive \$71, 292 for staff to provide in-custody transition services for younger and older youth, ages 14-25.

We also met with Bobby Macaulay with the Board of Supervisors, Rhonda Salisbury from the Oakhurst Visitor's Center, and representatives from Stewards of the Sierra to discuss possible worksites for the Wildfires NDWG project. There is substantial work that needs to be done on the highway such as fixing and/or replacing signs and covert cleaning. Stewards of the Sierra has identified several individuals that would meet project eligibility criteria's and will complete the worksite form as soon as possible for us to submit to the State for approval. Once approved, we will schedule eligibility in the Madera Ranchos or at the Visitor's Center in Oakhurst.

The following special grants and projects will end 3/31/2022: P2E, ELL, and DEA. Participants from these target populations will continue to be served with WIOA formula funds, as eligible.

Lastly, we continue to explore marketing and outreach strategies with the launch of our text messaging platform, YouTube channel, and Instagram account. We plan to extend our radio advertisements for the Young Adult program for an additional 3 months. Staff are also creating videos to highlight the eligibility

process, in demand trainings, participant success stories, and job seeker tips and tricks for employment. We also continue to push our Regional HR Hotline and monthly HR related webinars for businesses.
