Subject: Local and Regional Plan PY 2021-24 Two Year Plan Modifications Update

Information:

The State issued Workforce Services Draft Directive WSDD-235 on June 22, 2022, which provides guidance and establishes the procedures regarding the two-year modification to both regional and local plans for Program Year (PY) 2021-2024 under WIOA. We are currently entering the second year of implementation of the original regional and local plans. The regional and local plan modifications will be due to the State on March 31, 2023. The planning guidance includes community and stakeholder engagement requirements, as well as the standard 30-day public comment period, approval by the Workforce Development Board, and approval by the Madera County Board of Supervisors. Given the volume of work required, the region and local staff have engaged the same technical advisor, David Shinder, as was used on the original regional plan to guide the work on the modifications and develop the required plan documents for submission within the required timeframes.

WDB staff met with David Shinder on September 13 and reviewed the current four-year plan, the requirements for the biennial plan modification, and the content of the current plan that is subject to modification requirements. Three local stakeholder forums have been scheduled and all sessions are open to the public. The first session was held in-person on October 11 at the Community Action Partnership of Madera County from 3:00-4:30pm. The session was open to the community, CBOs, partners, and board members, and focused on Economic Recovery. The second session will be held via videoconference on October 24, from 9:00-10:00am, and will focus on Effective Services for Job Seekers. The last session will also be held via videoconference on November 1, from 8:30-9:30am, and will focus on input from businesses specific to the role of Businesses as Trainers and work-based learning strategies. Workforce Development Board members are invited to attend all sessions that are of interest – formal invitations will be sent to all Directors on the Board.

The draft of the local plan modification narrative should be completed by December 8, with a presentation of the draft local plan modification by David Shinder to the WDB, management and staff, and/or partners and stakeholders on December 15. The draft will be released for public comment following the December WDB meeting, for a minimum of 30 days. Public comments received will be summarized and included with the plan narrative for review and approval by the WDB and the Board of Supervisors in February.

The San Joaquin Valley and Associated Counties Regional Planning Unit will be led by Stanislaus County Workforce Development who will coordinate regional activities in accordance with regional plan modification requirements and timeframes. Local and Regional plans are due to the State by March 31, 2023 and will be delivered in one package that will include the regional plan and all local plans associated with the San Joaquin Valley and Associated Counties Regional Planning Unit.
