## **D. Description of Entity and Records to Be Audited**

MCWIC is a nonprofit organization that serves Madera County in California. MCWIC is a private, nonprofit corporation and has been determined to be exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code, and is registered by the Secretary of State in California. It is governed by a 9-member volunteer board of directors. Administrative offices and all records are located at 2037 W. Cleveland Ave., Madera, CA 93637.

MCWIC was established in 2012 and is led by a Corporate Board of Directors and the Workforce Development Board of Madera County that oversees the Workforce Innovation and Opportunity Act (WIOA) for the local Madera County region. Additional information about MCWIC as well as all prior year audit and financial reports can be obtained at <https://www.maderaworkforce.org/mcwic-financial-statements-and-audited-financials/>

MCWIC has annual revenues of approximately \$3 million. The majority of MCWIC's funding is for WIOA, but also receives competitive federal and non-federal grants and contracts. MCWIC serves as both the WIOA administrative agent and program operator, on behalf of the Workforce Development Board of Madera County, and does not subcontract program services. The goal of the WIOA is to help participants and workers access employment, education, training, and support services to succeed in the labor market, and will match employers with the skilled workers they need to compete in the global economy.

MCWIC maintains accounting records utilizing an on-premise computerized fund accounting system (Abila-MIP), supplemented by computerized spreadsheet subsidiary reports. MCWIC also employs approximately 24 people and utilizes an online payroll system (One-Point HCM) to allocate and process all personnel allocation time by grant, and completes all required payroll processes including state and federal reporting requirements.

MCWIC does not utilize an indirect cost rate, but instead utilizes a County approved multiple allocation base method as outlined in 2 CFR Part 200 Appendix IV, to allocate indirect costs on a monthly basis.

## **E. Contract Term**

At the discretion of MCWIC, this contract can be extended for four (4) additional 1-year periods. The cost for the additional periods will be agreed on by MCWIC and the Offeror.
