### 7.0 Action Items

7.1 Consideration of approval of the application for subsequent local area designation and local board recertification for the 2023-25 program year and authorization for staff to forward to the Board of Supervisors for approval.

The local area designation and board recertification is required and is submitted every 2 years to the State. The application must be approved and signed by the local workforce boards and their chief elected official. The deadline for submission has been pushed to May 26, 2023. The initial due date was May 19, 2023. Jorge DeNava's Title and Entity were reversed in the table on page 5 and his Term dates were recently approved for an additional 3-year term. This data will be updated before the application is submitted to the Board of Supervisors for approval and will be submitted to the State after final approval by the Board of Supervisors.

Robert Poythress moved to approve with the changes to page 5, seconded by Nichole Mosqueda.

Yes: Brett Frazier, Omair Javaid, Nichole Mosqueda, Robert Poythress

- 7.2 Consideration of approval of the application of Brett Frazier, Papa Murphy's Pizza, to the WDB for a 3-year term representing the Private Sector.
- 7.3 Consideration of approval of the application of Aaron Chambers, Hometown Tax Pros, to the WDB for a 3-year term representing the Private Sector.

Agenda items 7.2 and 7.3 were discussed as a group. Brett Frazier was formerly assigned to the Madera WDB as the Board of Supervisors (BOS) representative. Since his resignation from the BOS, staff are bringing Brett's WDB member application as a Private Sector representative to the Board for approval. Aaron Chambers, Impossible Services Group, Inc. will also represent the Private Sector on the WDB. The addition of Brett and Aaron as private sector representatives on the WDB will ensure that the Board is in compliance with the mandate that requires that WDBs be comprised of majority Private Sector representatives.

Robert Poythress moved to approve items 7.2 and 7.3, seconded by Nichole Mosqueda.

*Vote: Approved – unanimous* 

Yes: Brett Frazier, Omair Javaid, Nichole Mosqueda, Robert Poythress

7.4 Discussion and consideration to apply and submit an application for High Performing Board.

The State released a draft directive for local workforce areas to apply for High Performing Board (HPB) status/designation. Applying for this status is not mandatory. In the past, there was a minimal amount of funds available to Boards that were granted HPB status. Madera is currently designated a HPB through June 30. 2023. In the past, this designation came with a funds award. Previously, all Boards granted this status shared one pot of funds. Madera was previously awarded funds in the amount of approximately \$3,000. The award amount depends on the number of Boards who apply. The draft directive provides eligibility criteria information which includes meeting performance goals, meeting Board composition requirements, maintaining fiscal integrity, meeting training expenditure levels, and having a business services plan in place. Madera has met all the requirements except performance goals for program year 2021-22. Madera did not meet performance goals for dislocated workers (DW) for employment rate Q2 and for median earnings. The State is only looking at employment rate Q2 and median earnings Q2 after exit. The data being used for performance was during the height of the pandemic. Staff have spoken with EDD and their technical assistance team to discuss Madera's performance and outcomes for program year 2022. Madera is currently on track and staff have established strategies and charts to track performance per quarter to ensure that all requirements are met. If areas don't meet performance for 2 consecutive years, those areas will be placed on an improvement plan and funding could be reduced. Staff spoke with EDD and stated that Madera County AJCC remained open during the pandemic and provided services the entire time. Madera not meeting this performance indicator is directly tied to the pandemic. This resulted in lower performance data due to some participants enrolling but not being able to complete trainings or obtain jobs due to the pandemic or some participants ultimately staying home due to safety concerns and possibly receiving Federal or State benefits that allowed them to stay home. Other areas closed and provided no services while at the same time possibly selecting participants for trainings and/or services who they could have screened thoroughly and enrolled based on their ability to participate and complete their trainings. This would ensure that their performance data was not negatively impacted by the pandemic. Staff requested input from the WDB regarding whether or not to apply for HPB status. It is possible

that the WDB could write a letter on behalf of Madera's workforce area to plead the case for HPB status and include it in the application packet. EDD sends letters notifying workforce areas if they did or did not get HPB status. Those letters go out to the WDBs themselves as well as their local elected official's office. Given the chance that Madera may be denied this designation, staff requested input from the Board as to whether or not to apply. Not applying will not impact any current programs and services. It was decided that Madera would not apply for HPB status.

# 7.5 Discussion and consideration to plan and schedule *The Real Role of Workforce Boards* Retreat/Workshop.

Some new WDB members have come onto the Board since the pandemic. Staff feel it would be beneficial to provide some information on how the WDB functions and its important role to the community. Bob Lanter, California Workforce Association (CWA), facilitates a workshop on this topic and he would be available to come to Madera to provide a workshop to the WDB at no cost. Bob could customize the workshop for Madera's WDB. It could be held off-site, and lunch could be provided. It was recommended that it be held around the time of the next regularly scheduled WDB meeting in June – possibly on 6/12, 6/13, or 6/14. Staff can send a poll to ask for input on a preferred date and time. It was suggested that it could be held at the Camarena Wellness Center at Tesoro Viejo and that the Board agenda should remain short in order to focus on the workshop. A weekend date was considered but ultimately decided against. Staff will send a poll and contact Bob to schedule the event in June.

# 7.0 Action Items

7.1 Consideration of approval of EDD Subgrant AA311014 Year of Authorization (YOA) 2022 transfer of funds request in the amount of \$180,000 from the Dislocated Worker funding stream to the Adult funding stream in order to maximize customer service and provide more flexibility of services in the areas of greatest need as allowed by WIOA Section 113(b)(4).

Staff are seeing more Adults coming to the Center for services. Dislocated worker (DW) numbers have decreased and they are not coming to the Center for services in the same numbers as Adults. Madera received a COVID DW grant that has helped pay for DW worker services if they were impacted by the pandemic. It's very common to transfer DW to Adult funds as needed. Adult services require more funds because Adults require more intensive services upfront and so more staff time is being charged to the that program. There would be no impact to the DW program with this transfer.

Nicole Mosqueda moved to approve, seconded by Robert Poythress.

# **Transfer of Funds Request**

ds and date

12. Taking into account the factors described under the Transfer of Funds Procedures section on page 5 of the directive, describe the Local Board's reasoning to request a transfer of funds.

Due to the recovery of the pandemic and reduced unemployment numbers, we have minimal eligible dislocated workers coming in for assistance. In regards to the Adult eligible clients, we are seeing a slight increase, but the participants coming in are in need of more intensive assistance prior to training.

# **Comments:**

The Adult and Dislocated Worker eligible clients are needing more staff intensive case management services when enrolled in the program. Unemployment is still low, but is starting to increase as the economy tries to recover from the pandemic. With the struggling economy, client assistance will continue to be more intensive than it was in prior years.

Workforce Innovation and Opportunity Act

June 5, 2023

Maiknue Vang, Executive Director Madera County Workforce Investment Corp 2037 West Cleveland Avenue Madera, CA 93637

Dear Vang:

FUNDS UTILIZATION STATUS REPORT - PERIOD ENDING MARCH 31, 2023, FOR PY 21-22 AND PY 22-23

This letter is to provide a funds utilization status of your Local Area's Adult, Youth, and Dislocated Worker formula funds for Program Year (PY) 2021-22 and PY 2022-23. A similar letter is being sent to all Local Area administrators to assist them with the management of their formula funds. Each Local Area is responsible for ensuring that the following expenditure requirements are met by the end of the grant term dates:

- Expend a minimum of 50 percent of the Youth "program" funds on out-of-school (OS) youth activities.
- Expend a minimum of 20 percent of the Youth "program" funds on work experience activities.
- Expend no more than 20 percent of combined Adult and Dislocated Worker allotments on Incumbent Worker Training.
- Expend no more than 10 percent of combined Adult and Dislocated Worker allotments on Transitional Jobs activities.
- Expend no more than 10 percent of combined Adult and Dislocated Worker allotments on Pay-for-Performance contracts.
- Expend a minimum of 30 percent of combined Adult and Dislocated Worker allotments on Training Services.

Local Areas are also required to obligate at least 80 percent of their program dollars by the end of the first program year for which they were allotted. We are including benchmark data regarding this requirement in Enclosure 1. Please refer to Workforce Services Directive Funds Utilization Requirements for WIOA Funds (WSD15-08), dated November 18, 2015, for more information on this requirement.

Enclosure 2 reflects your expenditure levels for OS youth activities and work experience within your Local Area for PY 21-22. Each Local Area is responsible for meeting the 75 percent OS youth minimum expenditure level but for PY 21-22 the requirement has been lowered to 50 percent, please see Waiver for Out-of-School Youth Expenditures PY 21-22 (WSIN21-12), dated September 2, 2021, and the 20 percent youth work experience minimum expenditure level.

Maiknue Vang, Executive Director June 5, 2023 Page 2

Expenditure levels are calculated based on "program" funds (total allotment less administrative expenditures). If your Local Area does not meet the 50 percent OS youth expenditure requirement by June 30, 2023, then you must submit a corrective action plan to your assigned Regional Advisor within six months after the end of the program year. A corrective action plan is included as Attachment 2 to Workforce Services Directive *WIOA Youth Program Requirements* (WSD17-07), dated January 16, 2018.

Enclosure 3 reflects expenditure levels for Incumbent Worker Training, Transitional Jobs, and Pay-for-Performance contracts.

Enclosure 4 reflects your expenditure levels towards the 30 percent training expenditure imposed by California Unemployment Insurance Code section 14211, as amended by AB 1149. This requirement is specific to Adult and Dislocated Worker WIOA formula funds. Local Boards may apply designated leveraged resources used for training and supportive services (up to 10 percent of the combined total of their Adult and Dislocated Worker formula fund allocation) toward meeting the minimum training expenditure requirement. This analysis assumes the use of the 10 percent cap. Please refer to WIOA Training Expenditure Requirement (WSD18-10), dated January 31, 2019, for more information.

All data enclosed is as of March 31, 2023, reporting period and was obtained from expenditure reports submitted by each Local Area through CalJOBS<sup>SM</sup>. Please review the data and make adjustments, if necessary, within your program to ensure meeting the expenditure requirements going forward into the subsequent program years.

If you have any questions or require assistance with financial reporting, please contact EDD WSB Financial Management Unit at <a href="https://www.wsb.financialManagementUnit@edd.ca.gov">wsb.financialManagementUnit@edd.ca.gov</a>. If you have questions or require technical assistance relative to the programs, please contact your Regional Advisor.

Sincerely,

/s/KIMBERLEE MEYER
